

Automatic Scrubbers

Our one of a kind, top-of-the-line family of auto scrubbers

SIMPLA 50B

Regardless of the specific nature of your cleaning requirement, if you have a small to mid sized facility, one of our **Abila** or **Simpla** machines has been engineered to do the job for you!

ABILA 52

Standing in the right corner is **Abila** cleaning a full 20" path, with ultra quiet, dual brush operation and in the left corner is the duo tag team **Simpla** both boasting super agility and huge capacity in either single disc (50B) or twin cylindrical brush (50BST) action also cleaning a full 20" swath.
